Innovative Surface Solutions

NanoMagic harnesses nanotechnology to develop cutting-edge coatings that combine nature's wisdom with scientific precision. Our products deliver:

- ✓ Self-cleaning surfaces
- ✓ Stain & water repellency
- ✓ Long-lasting protection
- ✓ Eco-friendly formulations

Product Catalog

1. Magic IQ Coat (*Photocatalytic*)

☀️ **TiO₂-based formula** that actively breaks down pollutants under light

Key Benefits:

- Reduces airborne organic compounds
- Antimicrobial properties
- Lowers maintenance costs

Best For:

- Hospitals & clinics
 - Food processing facilities
 - Interior walls & ceilings
-

2. Magic Wood Coat (*Hydrophobic SiO₂*)

 **150°+ water contact angle** for superior protection

Key Benefits:

- UV-resistant
- Preserves natural wood appearance
- Prevents mold & rot

Best For:

- Outdoor decking
- Furniture
- Architectural wood features

[Insert wood coating close-up image here]

3. Magic Textile Coat

 **PFAS-free fabric protection**

Key Benefits:

- Withstands 30+ washes
- Maintains breathability
- Repels oils & liquids

Best For:

- Upholstery
 - Outdoor gear
 - Industrial textiles
-

4. Magic Stone Coat

 **Invisible stone protection**

Key Benefits:

- Anti-graffiti properties
- Oil & water repellency
- Vapor-permeable

Best For:

- Countertops

- Historical monuments
- Building facades

Technical Specifications

Product	Coverage	Cure Time	Durability
Magic IQ Coat	30-50 sq ft/L	24 hours	2-3 years
Magic Wood Coat	40-60 sq ft/L	12 hours	3-5 years
Magic Textile Coat	10-15 sq m/L	4 hours	30 washes
Magic Stone Coat	20-30 sq ft/L	24 hours	5+ years

How It Works

1. **Prepare Surface** – Clean & dry thoroughly
2. **Apply Coating** – Spray/brush as directed
3. **Cure** – Allow 12-24 hours (product-dependent)
4. **Enjoy Protection** – Optimal results in 48 hours

Why Professionals Choose NanoMagic

-  **Science-Backed** – Nanotechnology formulations
 -  **Sustainable** – Reduces chemical cleaning needs
 -  **Proven** – Trusted by [mention notable clients if applicable]
 -  **Supported** – Dedicated technical guidance
